

June 30 2020 Offer

Throughout June we're offering you the opportunity to purchase your fertilizer before the end of the financial year, with flexible collections up until the end of July 2021.

Our aim is to provide more options to farmers and enable you to maximise your 2020 financial year spending, if it suits your business.

Key Benefits

- Up to 13 months free storage until 31st July 2021.
- Get a 2020 financial year tax invoice.
- \$2/tonne rebate on Summit inSITE soil and plant testing for next season.
- Assured product supply.
- Fixed pricing for peace of mind.
